

Playgroup Facilitator Wanted

4Cs is looking for a facilitator to work with caregivers and parents to support young children's early learning and healthy development in a fun, interactive playgroup setting.

This is an ideal opportunity for an early childhood educator who has availability on one or more weekday mornings. We are willing to work with the candidate on scheduling specific days for playgroup sessions.

Facilitator hours will be 9:30am-12:30pm one or two mornings a week. Playgroup facilitator responsibilities include planning activities, set up and clean up, and playgroup instruction. 4Cs will provide space, materials, and support staff. Compensation is \$250 per 3 hour session.

4Cs' ideal playgroup facilitator candidate will have the following qualifications:

- Experience and training in:
 - Caregiver/parent education and family support
 - Early learning and child development, ECE credits highly preferred
 - Group facilitation
- Bilingual in Spanish and English
- Passion for working with families
